INSPIRATION

The background of the slide features a blue-tinted image of several incandescent light bulbs. Each bulb has a simple, hand-drawn face with two dots for eyes and a curved line for a mouth. Some bulbs have additional marks, like a star or a cross, above their heads. A hand is visible on the right side, holding one of the bulbs. The entire scene is set against a dark blue background with a white rounded rectangle containing the text.

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."
